

A MISSOURI WOMAN

Tells a Story of Awful Suffering and Wonderful Relief.

Mrs. J. D. Johnson, of 603 West Hickman St., Columbia, Mo., says: "Following an operation two years ago, dropsy set in, and my left side was so swollen the doctor said he would have to tap out the water. There was constant pain and a gurgling sensation around my heart, and I could not raise my arm above my head. The kidney action was disordered and passages of the secretions too frequent. On the advice of my husband I began using Doan's Kidney Pills. Since using two boxes my trouble has not reappeared. This is wonderful, after suffering two years."

Shipwrecked Sailors Saved.
Eleven men, members of the crew of the Norwegian antarctic expedition ship Catherine, have been rescued after having been cast away on one of the Crozet islands in the southern Indian ocean, far off the track of commerce. They were found in exceedingly good health, having subsisted on penguin, sea elephants, albatross eggs and food from the depot placed there in 1880. The latter was not particularly wholesome, but the men got used to it. One bottle of whisky which was washed ashore was kept for Christmas. They were short of matches, and used only one daily, and made every effort to keep a lamp, owing to the severe cold.

WEIGHT AND HEALTH

THIN, NERVOUS PEOPLE NEED THE TONIC TREATMENT.

This Woman Took Dr. Williams' Pink Pills, Gained Thirty Pounds and Has Been Well Ever Since.

How many women—and men too—are suffering from a general decline in health which the ordinary remedies seem unable to check! How many husbands see their wives wasting away, steadily losing health and beauty, and are powerless to help! Consumption and other germ diseases find in these debilitated systems easy prey, for the lowered vitality is unequal to the task of fighting off the infection of these diseases to which most of us are almost daily exposed.

The symptoms indicating the decline which may have results so fatal could scarcely be better described than in the statement of Mrs. William Manley, of 92 Court street, Utica, N. Y. Her case is a typical one. She says:

"For six months after the birth of my baby, I suffered from sick, dizzy headaches, which seemed like a rush of blood to my forehead, just back of my eyes. Some days they twitched so I could hardly see and black spots floated before them. The least exertion brought on this sickness. My appetite was poor and I was often sick to my stomach. "If I tried to work my feet soon became swollen, paining me terribly. I had sinking spells and grew pale and nervous. I was so thin that I weighed only 95 pounds.

"One day when at the drug store to get headache powders I decided to try Dr. Williams' Pink Pills instead. I soon noticed that my headache was disappearing and my nerves gradually grew stronger. The pills gave me a hearty appetite and I now weigh over 130 pounds. I believe the pills to be the best tonic and builder a woman can take, as they certainly helped me when my condition was critical and I have never been seriously ill since."

The great value of Dr. Williams' Pink Pills lies in the fact that they actually make new blood and this carries health and strength to every portion of the body. The stomach is toned up, the nerves are strengthened, every organ is stimulated to do its work.

If you are ill and the treatment you are taking does not cure you, write for proof of what Dr. Williams' Pink Pills have done in similar cases. Your druggist sells them or they will be sent by mail, postpaid, on receipt of price, 50 cents per box, six boxes for \$2.50, by the Dr. Williams Medicine Co., Schenectady, N. Y.

GRANTS PETITION

Judge Pollock Will Appoint a Receiver for Uncle Sam Oil Company.

DENOUNCED THE SCHEME

Judge Has No Sympathy for Business Men Caught But Intends to Save What He Can For Stockholders.

Topeka, Kan., April 20.—Judge J. C. Pollock in the United States district court here Friday announced that he would grant the petition of complaining stockholders and appoint a receiver for Uncle Sam Oil company, whose secretary-treasurer, H. H. Tucker, Jr., was recently indicted on a charge of using the mails to defraud. The company has 10,000 stockholders, distributed over all parts of the country. A statement issued on April 5 last, showed receipts from sale of stock of something over \$1,000,000.

In announcing his decision to appoint a receiver, Judge John C. Pollock took occasion to denounce the scheme of the company as outlined in its advertising, as "impracticable."

"The estate, which is probably small enough as it is, will be conserved for stockholders and the receiver is appointed in their interests," said Judge Pollock. "The creditors are business men and should have gone into the scheme with their eyes open. Any business man should have known that Tucker's scheme, as outlined in his advertising, was impracticable. What ever is left shall be kept together for the stockholders, many of whom are poor and unable to afford to lose the money they have invested."

Twenty days is left in which to adjudicate the question of bankruptcy. The company may reply to the petition within that time and bring evidence that they are not insolvent as claimed.

The receiver for the company will be placed under \$50,000 bond and the creditors a joint bond of \$10,000.

Judge Pollock stated Friday that he had not yet settled upon whom he would name for receiver. Outside of the court room the names of State Senator W. S. Fitzpatrick of Sedan and J. B. Tomlinson, attorney for H. H. Tucker are most generally considered for the place.

The action of Judge Pollock Friday of course does away with the management of the company by the three trustees appointed by Tucker on April 16.

AGE TOLD BY THE PULSE.

From Birth to Death the Beats Have a Steady Decrease.

How old are you? Ask your pulse. The human pulse has a wide range, even in perfectly healthy persons. The female pulse always beats faster than the male, and from birth to death the pulse beats steadily decrease. It has been said by great authorities that the age and sex of a person could be ascertained by the rate of the pulse alone. Babies at birth have a pulse beat of 160 times a minute in case of a girl and 150 in the case of boys. At the age of four or five the pulse beats will have fallen respectively to 110 and 100. Males' and youths' pulses average 95 and 90. Mature men and women average 80 and 75. Elderly men and women have an average of 60 and 50. An old woman's pulse rarely, if ever, sinks below 50, but among men a pulse beat below 50 is quite common. There are, however, great variations consistent with health. Napoleon's pulse is said to have beaten only 44 times a minute.

BLOOD GETS SOUR.

Gives Advice and Tells of Simple Home Mixture.

At this time of year, says a well-known authority, the kidneys become weak, clogged and inactive, failing to filter out the poisons and acids, which sour the blood, causing not only facial and bodily eruptions, but the worst forms of Rheumatism, Nervous and Stomach troubles, Backache and painful, annoying urinary afflictions.

It is worth anyone's time now to get from some good prescription pharmacy the following ingredients: Fluid Extract Dandelion, one-half ounce; Compound Kargon, one ounce; Compound Syrup Sarsaparilla, three ounces. Mix by shaking well in a bottle and take in teaspoonful doses after your meals and at bedtime.

This simple home-made mixture will force the kidneys to normal, healthy action, so they will filter and strain all uric acid and poisonous waste matter from the blood, and expel this in the urine, at the same time restoring the "full blood count"—that is, 95 per cent. red blood corpuscles—which is absolutely indispensable to perfect health.

Mistook Scripture for Science.

They were passing one of the Fifth avenue churches when the bulletin board caught her eye. "The Rev. Dr. — will speak this evening on Deuteronomy." She stopped short and carefully read it a second time. "Well," she snapped, "I wish these preachers would stick to the Bible and let science alone. I don't believe Dr. — knows any more about Deuteronomy or astronomy or any other onomy that I do."—New York Herald.

Deafness Cannot Be Cured

by local means, as they cannot reach the diseased part of the ear. There is only one way to cure deafness, and that is by constitutional remedies. Deafness is an inflamed condition of the mucous membrane of the Eustachian Tube. When this tube is inflamed, a rumbling sound or imperfect hearing will be noticed, and when it is entirely closed, deafness will be the result, and unless the inflammation can be taken out and this tube restored to its normal condition, hearing will be destroyed forever; nine cases out of ten are caused by Catarrh, which is nothing but an inflamed condition of the mucous surfaces. We will give One Hundred Dollars for any case of Deafness caused by Catarrh that cannot be cured by Hall's Catarrh Cure. Send for circulars, free. Sold by Druggists. E. J. CHENEY & CO., Toledo, O. THE CHANGE OF LIFE

Sensible Advice to Women from Mrs. Henry Lee, Mrs. Fred Certia and Mrs. Pinkham.

MRS. HENRY LEE MRS. FRED CERTIA

Owing to modern methods of living not one woman in a thousand approaches this perfectly natural change without experiencing a train of very annoying and sometimes painful symptoms.

This is the most critical period of her whole existence and every woman who neglects the care of her health at this time invites disease and pain.

When her system is in a deranged condition or she is predisposed to apoplexy or congestion of any organ, the tendency is at this period likely to become active and with a host of nervous irritations make life a burden. At this time also cancers and tumors are more liable to form and begin their destructive work.

Such warning symptoms as sense of suffocation, hot flashes, headaches, backaches, melancholia, dread of impending evil, palpitation of the heart, irregularities, constipation and dizziness are promptly heeded by intelligent women who are approaching the period of life when this great change may be expected.

Mrs. Fred Certia, 1014 So. Lafayette Street, So. Bend, Ind., writes:

Dear Mrs. Pinkham:— "Lydia E. Pinkham's Vegetable Compound is the ideal medicine for women who

are passing through Change of Life. For several months I suffered from hot flashes, extreme nervousness, headache and sleeplessness. I had no appetite and could not sleep. I had made up my mind there was no help for me until I began to use Lydia E. Pinkham's Vegetable Compound, my bad symptoms ceased, and it brought me safely through the danger period, built up my system and I am in excellent health. I consider Lydia E. Pinkham's Vegetable Compound unsurpassed for women during this trying period of life."

Mrs. Henry Lee, 60 Winter Street, New Haven, Conn., writes:

Dear Mrs. Pinkham:— "After suffering untold misery for three years during Change of Life I heard of Lydia E. Pinkham's Vegetable Compound. I wrote you of my condition, and began to take Lydia E. Pinkham's Vegetable Compound, and followed your advice, and to-day I am well and happy. I can now walk anywhere and work as well as anyone, and for years previous I had tried but could not get around without help. I consider your medicine a sovereign balm for suffering women."

Women passing through this critical period should rely upon Lydia E. Pinkham's Vegetable Compound. If there is anything about your case you don't understand write to Mrs. Pinkham, Lynn, Mass., for advice. It is free and has guided thousands to health.

When a medicine has been successful in restoring to health, actually thousands of women, you cannot well say without trying it, "I do not believe it will help me." It is your duty to yourself and family to try Lydia E. Pinkham's Vegetable Compound.
